Independent auditor's report

To the Members of Council, Inhabitants and Ratepayers of
The Corporation of the Village of Sundridge

Opinion

We have audited the consolidated financial statements of The Corporation of the Village of Sundridge ("the Village"), which comprise the consolidated statement of financial position as at December 31, 2019, and the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of The Corporation of the Village of Sundridge as at December 31, 2019, and its results of operations, its changes in its net financial assets, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Village in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Village's ability to continue as a going concern, disclosing, as applicable, matters related to a going concern and using the going concern basis of accounting unless management either intends to liquidate the Village or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Village's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Village's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Village to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Village and the organizations it controls to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

THE CORPORATION OF THE VILLAGE OF SUNDRIDGE

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS Year Ended December 31, 2019

Management Responsibility

The consolidated financial statements of the Corporation of the Village of Sundridge (the "Municipality") are the responsibility of management and have been prepared in accordance with Canadian generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. A summary of significant accounting policies is provided in Note 1. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management maintains a system of internal controls to provide reasonable assurance that reliable financial information is produced. The internal controls are designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements.

1. SIGNIFICANT ACCOUNTING POLICIES

Significant aspects of the accounting policies adopted by the Municipality are as follows:

(a) Reporting Entity

These consolidated statements reflect the assets, liabilities, revenue, expenses and accumulated surplus of the reporting entity. The reporting entity is comprised of all committees of Council and the boards, joint boards and municipal enterprises for which Council is politically accountable as follows:

(i) Proportionally consolidated entities

The following joint boards and committees are proportionally consolidated:

- Fire
- Medical Centre
- Recreation
- Arena and Hall
- Library
- Building Committee
- Economic Development

Inter-organizational transactions and balances between these organizations are eliminated.

(ii) Modified equity accounting

Government business enterprises are accounted for by the modified equity method. Under this method the business enterprises' accounting principles are not adjusted to conform with those of the Municipality and inter-organizational transactions and balances are not eliminated. The following government business enterprise is included in these financial statements: Lakeland Holding Ltd.

(iii) Non-consolidated entities

The following joint boards are not consolidated:

- North Bay Parry Sound District Health Unit
- Parry Sound District Social Services Administration Board
- District of Parry Sound (East) Home for the Aged

THE CORPORATION OF THE VILLAGE OF SUNDRIDGE

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Year Ended December 31, 2019

- (iv) Accounting for school board transactions
The taxation, other revenue, expenses, assets and liabilities with respect to the operations of the school boards are not reflected in these consolidated financial statements.
 - (v) Trust funds
Trust funds administered by the Municipality are not included in these consolidated financial statements, but are reported separately on the trust funds financial statements.
- (b) Basis of Accounting
- (i) Accrual basis of accounting
Revenue and expenses are reported on the accrual basis of accounting. Revenue is recognized in the year in which it is earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.
 - (ii) Cash and cash equivalents
Cash and cash equivalents include cash on hand, balances with financial institutions and demand deposits.
 - (iii) Non-financial assets
Non-financial assets are not available to discharge existing liabilities but are held for use in the provision of municipal services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.
- (a) Tangible capital assets
Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Tangible capital assets received as donations are recorded at their fair value at the date of receipt, and that fair value is also recorded as revenue. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:
- Land improvements - 20 years
 - Buildings - 20 to 50 years
 - Machinery, equipment and furniture - 5 to 20 years
 - Vehicles - 7 to 30 years
 - Roads - 10 to 60 years
 - Wastewater infrastructure- 80 years
- One half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.
- Interest related to the acquisition of capital assets is not capitalized, but is expensed in the year incurred.
- (b) Inventories of supplies
Inventories held for consumption are recorded at the lower of cost and replacement cost.

THE CORPORATION OF THE VILLAGE OF SUNDRIDGE

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS Year Ended December 31, 2019

- (iv) Reserves and reserve funds
Certain amounts, as approved by Council, are set aside in reserves and reserve funds for future operating and capital purposes. Balances related to these funds are included in the accumulated surplus of the Consolidated Statement of Financial Position.
- (v) Government transfers
Government transfers are recognized in the financial statements as revenue when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the Consolidated Statement of Operations as the stipulation liabilities are settled.
- (vi) Deferred revenue
Revenue restricted by legislation, regulation or agreement and not available for general municipal purposes is reported as deferred revenue on the Consolidated Statement of Financial Position. The revenue is reported on the Consolidated Statement of Operations in the year in which it is used for the specified purpose.
- (vii) Taxation and related revenue
Tax rates are established annually by Council, incorporating amounts to be raised for local services and amounts the Municipality is required to collect on behalf of the Province of Ontario in respect of education taxes. Property tax billings are prepared by the Municipality based on assessment rolls, supplementary assessment rolls and other assessment adjustments issued by the Municipal Property Assessment Corporation ("MPAC"). Taxation revenue is initially recorded at the time assessment information is received from MPAC and is subsequently adjusted based on management's best estimate of the amount of tax revenue resulting from assessment adjustments that have not yet been received from MPAC. The Municipality is entitled to collect interest and penalties on overdue taxes. This revenue is recorded in the period the interest and penalties are levied.
- (viii) Pensions and employee benefits
The Municipality accounts for its participation in the Ontario Municipal Employee Retirement System (OMERS), a multi-employer public sector pension fund, as a defined contribution plan. Obligations for sick leave and employee retirement gratuities under employee benefits payable are accrued as the employees render the services necessary to earn the benefits.
- (ix) Use of estimates
The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the period. These estimates and assumptions are based on management's historical experience, best knowledge of current events and actions that the Municipality may undertake in the future. Significant accounting estimates include valuation allowances for taxes and accounts receivable, employee benefits payable, estimated useful lives of tangible capital assets and supplementary taxes. Actual results could differ from these estimates.

2. CONTRIBUTIONS TO UNCONSOLIDATED JOINT BOARDS

Further to Note 1(a)(iii), the following contributions were made by the Municipality to these boards:

	2019	2018
District of Parry Sound Social Services Administration Board	\$ 46,456	\$ 46,312
North Bay Parry Sound District Health Unit	30,062	32,275
District of Parry Sound (East) Home for the Aged	32,308	32,125
	\$ 108,826	\$ 110,712

The Municipality is contingently liable for its share, if any, of the accumulated deficits as at the end of the year for these boards. The Municipality's share of the accumulated surpluses (or deficits) of these boards has not been determined at this time.

The Municipality is also contingently liable for its share, if any, of the long-term liabilities issued by other municipalities for these boards. The Municipality's share of these long-term liabilities has not been determined at this time.

3. TRANSACTIONS ON BEHALF OF OTHERS

(a) During the year, \$316,071 of taxation was collected on behalf of school boards (2018 \$336,613).

(b) The Municipality administers the High Rock Look-out trust fund. This fund was established in 1967 for the purposes of providing a picnic area and community gathering place for the citizens of the Sundridge area. This endowment fund is to be held in perpetuity, and any interest earnings derived therefrom are to be used to maintain the park. The balance of the trust is \$41,222 (2018 \$33,564). As this balance is held in trust by the Municipality for the benefit of others, it not presented as part of the Municipality's financial position or operations.

4. CASH AND CASH EQUIVALENTS

Cash and cash equivalents is comprised of:

	2019	2018
Unrestricted cash	\$ 2,398,085	\$ 1,922,996
Restricted cash	188,252	4,211
	\$ 2,586,337	\$ 1,927,207

Federal and Provincial legislation restricts how restricted cash related to obligatory reserve funds, reported in Note 8, may be used.

7. DEFERRED REVENUE-GENERAL

In 2018 the Municipality entered into an agreement with the Ministry of Agriculture, Food and Rural Affairs under the Ontario Community Infrastructure Fund Top-up Application Component to obtain funding for the reconstruction of Main Street. The terms of the agreement contain certain transfer stipulations, based on eligible costs and milestones. The maximum funding eligible under this agreement is \$1,794,462 and expires in March 2021.

The Sundridge and District Medical Centre has an ongoing Rural and Northern Physicians Group Agreement with the Ministry of Health and Long-term Care. Payments received under this agreement are recognized in revenue as the related expenditures are incurred.

Details of the deferred revenue reported on the Consolidated Statement of Financial Position are as follows:

8. DEFERRED REVENUE-OBLIGATORY RESERVE FUNDS

The Municipality receives payments in lieu of parkland under the Planning Act, building permit revenue under the Building Code Act, federal gas tax funding and provincial Main Street revitalization funding under agreements with the Association of Municipalities of Ontario and Ontario Community Infrastructure Fund funding under an agreement with the Ministry of Infrastructure. Legislation restricts how these funds may be used, and under certain circumstances, how these funds may be refunded.

In the case of payments in lieu of parkland, revenue recognition occurs when the Municipality has approved eligible expenditures for park and other public recreation purposes. Building permit revenue is recognized when applicable building expenditures are incurred. Gas tax, Main Street revitalization and Ontario Community Infrastructure Fund revenue recognition occurs when the Municipality has approved the expenditures for eligible capital works.

Details of the deferred revenue-obligatory reserve funds reported on the Consolidated Statement of Financial Position are as follows:

10. TANGIBLE CAPITAL LEASES

In conjunction with the Corporation of the Township of Strong, the Municipality leases library equipment, which is accounted for on the Consolidated Statement of Financial Position at the present value of future minimum lease payments. Future minimum lease payments are as follows:

	2019	2018
2019	\$ -	\$ 312
2020	312	311
2021	482	482
Total minimum lease payments	794	1,105
Less amount representing interest (2.02% incremental borrowing rate))	(20)	(38)
Present value of future minimum capital lease payments	\$ 774	\$ 1,067

Interest of \$18 (2018 \$25) relating to capital lease obligations has been reported on the Consolidated Statement of Operations.

11. EMPLOYEE BENEFITS PAYABLE

- (a) Under the sick leave benefits plan, unused sick leave can accumulate to a prescribed maximum and qualifying employees may become entitled to a cash payment when they leave the Municipality's employment. The sick leave benefit liability estimates the use of accumulated sick leave prior to retirement, as well as any lump-sum payments upon retirement, and assumes that both the appropriate discount rate and future salary and wage levels will increase by 2% per annum. The liability for these accumulated days amounted to \$23,712 (2018 \$20,520) at the end of the year.
- (b) Under the retirement gratuity plan, qualifying employees are entitled to a payout, upon retirement, based on length of service and rate of pay. The retirement gratuity liability estimates the lump-sum payments upon retirement, and assumes that both the appropriate discount rate and future salary and wage levels will increase by 2% per annum. The liability for the retirement gratuity is estimated at \$13,525 (2018 \$12,991) at the end of the year.

12. CONTRACTUAL OBLIGATIONS

In 2019 the Municipality contracted EXP Services Inc. to provide engineering services for the rehabilitation of portions of Mill Street, Main Street, Anderson Street and Robert Street at a combined contract amount of \$185,263 plus HST. To the end of the year, \$53,442 of services related to these projects had been performed. The balance of the work is expected to be completed in 2020.

13. COMMITMENTS

In 2019 the Municipality committed to contributing up to \$20,000 to the Sundridge Lion's Club for the purchase and installation of a message board/illuminated sign. Both parties must agree on the design before the project can proceed.

16. SEGMENT DISCLOSURES AND EXPENSES BY OBJECT

The Municipality and its Boards and Committees provide a wide range of services to its citizens. The schedule of segment disclosure provides a breakdown of the annual surplus (deficit) reported on the Consolidated Statement of Operations by major reporting segment. The segments correspond to the major functional categories used in the Municipality's Financial Information Return, which include the following activities:

General Government

This segment includes Council, Clerk's Department, and Treasury. This area supports the operating departments in implementing priorities of Council and provides strategic leadership on issues relating to governance, strategic planning and service delivery.

Protection to Persons and Property

This segment includes fire, police, building inspection, and bylaw enforcement. Police services are provided by the Ontario Provincial Police under contract.

Transportation Services

Transportation services include roadway systems and winter control.

Environmental Services

This segment includes solid waste management and sanitary sewers.

Health Services

This segment includes cemeteries, ambulance services as well as payments to the district health unit.

Social and Family Services

This segment consists primarily of payments made to the district social services administration board and home for the aged for the provision of social services such as childcare, social housing, general assistance and assistance to the elderly.

Recreation and Culture

This segment includes parks, recreation programs, recreation facilities and library services.

Planning and Development

This segment includes activities related to planning, zoning and economic development.

Unallocated Amounts

Items are recorded as unallocated amounts when there is no reasonable basis for allocating them to a segment. Major items included in this category are property taxation and related penalty and interest charges and unconditional grants such as the Municipality's annual Ontario Municipal Partnership Fund grant.

In the preparation of segmented financial information, some allocation of expenses is made. This generally includes charges of rent and administrative services to specific segments.

17. RELATED PARTY TRANSACTIONS

During the normal course of operations, the Municipality received dividends of \$73,200 (2018 \$69,372) and purchased power in the amount of \$123,856 (2018 \$125,785) from Lakeland Holding Ltd. All related party transactions are recorded at their exchange amount, which is the amount of consideration established and agreed to by the related parties, which approximates the arm's length equivalent value.

18. RESTRUCTURING NET REVENUE

In 2019 the Municipality entered into a joint services agreement for Almaguin Community Economic Development ("ACED"). The agreement took effect in October 2019, and includes the following independent organizations:

- The Corporation of the Township of Perry;
- The Municipal Corporation of the Township of Armour;
- The Corporation of the Township of Ryerson;
- The Corporation of the Village of Sundridge;
- The Almaguin Highlands Chamber of Commerce;
- The Corporation of the Municipality of Magnetawan;
- The Corporation of the Municipality of the Village of Burk's Falls;
- The Corporation of the Township of Strong;
- The Corporation of the Village of South River;
- The Corporation of the Municipality of Powassan;
- The Corporation of the Township of Joly.

ACED assumed the operating responsibilities of the Central Almaguin Economic Development Association and of the Burk's Falls and Area Community Economic Development. In addition, the tangible capital assets of the Burk's Falls and Area Community Economic Development were transferred to ACED at no cost.

The Municipality recorded net revenue of \$2,933 as a result of this restructuring. The value of the tangible assets received is recorded as a contributed asset in Note 14.

19. BUDGET FIGURES

The budget adopted for the current year was prepared on a modified accrual basis, and has been restated to conform with the accounting and reporting standards applicable to the actual results. A reconciliation of the adopted and reported budgets is presented below.

	Budget
ADOPTED BUDGET:	
Decrease in general municipal operating surplus	\$ (351,518)
Decrease in unfinanced capital - Medical Centre	3,840
Increase in reserves and reserve funds	52,621
Decrease in joint board general operating surplus	(39,504)
ADJUSTMENTS:	
Acquisition of tangible capital assets	821,282
Amortization of tangible capital assets	(403,098)
Decrease in municipal debt	122,516
ANNUAL SURPLUS	\$ 206,139

20. PENSION AGREEMENTS

The Municipality makes contributions to the Ontario Municipal Employee Retirement Fund (OMERS), which is a multi-employer plan, on behalf of certain members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Each year an independent actuary determines the funding status of OMERS Primary Pension Plan (the Plan) by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2019. The results of this valuation disclosed total actuarial liabilities of \$107,687 million with respect to benefits accrued for service with actuarial assets at that date of \$104,290 million indicating an actuarial deficit of \$3,397 million. Because OMERS is a multi-employer plan, any Plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Municipality does not recognize any share of the Plan surplus or deficit.

The amount contributed to OMERS for 2019 was \$42,358 (2018 \$39,187) for current service and is included as an expense on the Consolidated Statement of Operations.

21. SUBSEQUENT EVENTS

Since December 31, 2019, the spread of COVID-19 has severely impacted many local economies around the globe. In many countries, including Canada, businesses are being forced to cease or limit operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of nonessential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Global stock markets have also experienced great volatility and a significant weakening. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions.

To date, the Municipality has taken the following actions in response to the pandemic:

- (a) On March 17, 2020, the Sundridge Community Centre was closed to the public until further notice. The Municipality expects a reduction in rentals as a result of this closure of approximately \$1,300 per month.
- (b) On March 17, 2020, the Municipality's shared recreational facility was closed to the general public and recreational programs and facility rentals were cancelled until further notice. The Municipality is anticipating a temporary reduction in its workforce, and currently estimates a reduction in salaries and benefits expense of \$12,000 for 2020. It also expects a reduction in rentals and user fees of approximately \$2,000 per month as a result of these closures and cancellations.
- (c) On April 22, 2020, the Municipality announced that it would waive interest and penalties on tax arrears for the months of March, April, May and June 2020. As a result, the Municipality expects a decrease in interest and penalties revenue of approximately \$3,300 per month. The Municipality expects that some of its taxpayers will face additional financial pressures that may impact their ability to make their tax payments on a timely basis.

The Municipality has determined that these events are non-adjusting subsequent events. Accordingly, the financial position and results of operations as of and for the year ended December 31, 2019 have not been adjusted to reflect their impact. The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Municipality for future periods.
