

NURSE PRACTITIONER, RN (EC) – Full Time

NP candidates will be considered and are encouraged to apply

Come be part of an innovative and collaborative interdisciplinary primary care team and advance your career in a rural community health care setting. This is an excellent opportunity to meet the primary care needs of local residents while achieving an exceptional work/life balance.

Sundridge is a beautiful village located between Huntsville and North Bay on Lake Bernard. The Sundridge and District Medical Centre is a friendly well-organized clinic with 2 physicians and 1 nurse practitioner, serving 2000+ local patients. We have an RN that draws bloodwork and does injections on 2 mornings each week. We are 45 minutes from 3 hospitals - Huntsville, Parry Sound and North Bay.

For details and job description please contact Karen Fraser, Clerk Administrator, Village of Sundridge, at clerk@sundridge.ca. Please submit your detailed resume and cover letter by **9 am on Friday August 31, 2017** to clerk@sundridge.ca.

We thank applicants in advance. Only those selected for interviews will be contacted.
