

**Addendum No. 1 to RFP #2018-001**  
**Medical Centre Renovation Project**  
**and Optional Construction Supervision**

**Released on April 20, 2018 and closing on May 18, 2018 at 4:00 p.m.**

Please be advised that RFP #2018-001 (April 20, 2018) has been amended in the following ways:

**1. Section 4, Task Two**

This section is clarified by adding the following paragraph:

“Where a submission is from an architect or architectural firm that does not customarily provide construction supervision, a submission indicating the extent and nature of oversight during the construction phase along with applicable pricing is acceptable.”

**2. Section 6, Pricing of Task Two Component**

This section may be amended to reflect proposals by bidders such as architects or architectural firms which do not provide Construction Supervision. A separate page may be attached to give a detailed break-down of design supervision and pricing from such bidders. Please indicate in the Task Two Pricing Box that a separate page has been submitted.

These addenda must be noted on the Addenda Acknowledgement Page (Attachment 2) of the RFP package and submitted with the proposal.
