

**Village of Sundridge Request for Tender  
Snow Removal  
Sundridge and District Medical Centre  
and  
Sundridge-Strong Fire Hall**

**List of Questions and Responses:**

**November 7, 2016**

**Question:**

What is meant by "Snow Removal Invoicing" on page 6 (Appendix "A") of the Tender package?

**Response:**

The acknowledgement on page 6 (Appendix "A") - itemized billings for snow removal services - is included because snow removal is not to be included in the pricing for snow plowing.

As referenced in Article 17 of the Tender Package, the successful bidder will only be required to remove excess snow if requested by administration on an "as needed" basis and separate billing is anticipated for that service.
